

SPACE AND WORKFLOW

What must be true first

Proximity

Partners are close enough

Mutual visibility

Condition-specific sightline

Available to respond

Current task, workload, and recent contact

OPPORTUNITY

Chance to interact

A colleague can be approached
at this time and place

DECISION RULE

Optional choice

Engage, defer, or decline
Reason and topic

EVENT RECORD

Recorded outcome

Face-to-face interaction

Time, coordinate, partners,
reason, and topic

Missed opportunity

Time, coordinate, partners,
and non-contact reason
